Cognizant Tools and Processes

Project Management

SFDC Dev & Customization

Salesforce Integration

Test & Defect Management

I am a dedicated, organized and an enthusiastic individual. I have good inter-personal skills and an excellent team worker, who is very keen– in learning and developing new skills. I have a creative mind and am always up for new challenges. I often seek new responsibilities out of my comfortable zone to improve myself and my team. I am confident that I work well, both in a team environment as well as using own initiative. Currently I have proved my skills in the CVS project where I served the role of a test analyst. Looking forward to expand my skills and knowledge in a new project.

Work Experience
